

Withdraw Policy

I understand that requests to withdraw must be placed in writing by the 1st day of the final month of classes. And that my registration will end on the last day of the month following the submission of this form. Verbal requests over the phone or in-person will not be honored. If I have not received confirmation of my written request from Super Aqua Swim School, I understand my request did not go through and I will re-submit the written withdrawal request. No refunds will be honored after billing has taken place. No requests will be accepted after the 5th of the month.
