The Super Aqua Swim School has an innovative methodology that submerges into the children's universe bringing technique, creativity and fun to their swim lessons. Elements necessary to make their aquatic experience an incredible learning moment.

- Indoor swimming pool
- Top of the line filtration and UV/Saltwater system
- Swimming pool heated to 90°F
- Small class size
- We specialize in teaching children from 4 months to 12 years old
- Throughout the levels, the child is introduced to the aquatic environment, learning from the first techniques of survival and breathing to swimming techniques of the 4 strokes: Freestyle, Backstroke, Breaststroke and Butterfly. Began your journey today and join the Super Aqua Swim School!

- We will adjust or prorate your monthly tuition for any holidays or extra days that fall on your swim day.
 - * Number of lessons per month.
 - Annual fee \$30 per child will be charged once a year on your enrollment anniversary.
